

May 11, 2012

Below are anticipated construction activities for the week of 5/14/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. 21st Street from Ritter Avenue to Arlington Avenue was closed on February 21 and will remain closed for 120 days. This project also extends into Warren Township.

Restrictions may be in place on West 30th Street and Cold Spring Road as storm water improvements are underway.

Northbound lane restrictions are in place for Meridian Street between East 25th Street and Fall Creek Boulevard North Drive. East 25th Street will remain closed to traffic until November 15, 2012.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements. Project and schedule information can be found at <http://www.indy.gov/eGov/City/DPW/RebuildIndy/Projects/Pages/Fountain-Square-Improvements-Phase-II.aspx>.

Restrictions are in place on Delaware Street from Bicking Street (one block south of McCarty Street) to just north of McCarty Street so the contractor can remove the “bump out” at the northwest corner of McCarty Street and Delaware Street. The contractor will be pouring concrete paver base, sidewalk and curb in this area. Once the paver base is complete the contractor will place the brick pavers back in this area. Access to the parking garage on the east side of Delaware Street will be maintained during this restriction.

Restrictions may be in place on Madison Avenue between Prospect Street and Morris Street as bridge work will begin on or after May 17.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The new traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are now in place. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the construction of the Trail. Concrete driveways and trench drains at the Impact Group drive and the Villagio driveways will be placed over the next week. Concrete paver base for the trail will follow after the driveways.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up, moving the vehicles to the southern lanes. Once the drainage structures and pipe are installed the contractor will start pouring the roadway curbing starting at Capitol Avenue and heading west.
